## Goodwill Working Group

The Global Alliance against FGM is a communication platform promoting NGOs and individual winning strategies devoted to the eradication of FGM. "Thinking in advance" is the key to the Alliance's step-by-step approach to reflect and monitor progresses made in the eradication of FGM and organize adequately events to accelerate the dissemination of key informations without competition.

Paul Gérin-Lajoie, Fondation Paul Gérin-Lajoie, Canada

Keith Martin, Parliamentarian, Canada,

Diane Walsh, Journalist, Canada

Denis Laming, Architect of the Futuroscope, France

## Goodwill Ambassadors

Two marvellous people accepted to act as ambassadors for the Global Alliance against FGM and to help raise the visibility of both, the issue of FGM itself and the association's work:
